

# Tasting Process

Currently we are offering take home tastings! Each tasting box contains 5 different cake flavors, along with multiple small containers that are labeled and filled with different buttercreams and fillings. Each box feeds one person and only costs \$5.00! You can order up to 6 boxes. Your tasting will also come with an informational sheet that has suggested ways of trying the cake flavors, along with instructions for contacting our wedding coordinator after your tasting!

To schedule for your tasting, please call the bakery at 614-846-5102, hit option 1, and one of our employees can help get you scheduled!
